Let In Play help you with your next Fundraiser Pitchburst

Pitchburst® is a huge hit at parties, fundraisers, carnivals, fairs, festivals, corporate events and more. It is safe and simple to play - pitch a ball, hit the target and - splursh! - a water balloon bursts overhead. Pitchburst combines the soaking fun of a dunk tank with go-anywhere portability. The water falls; people don't, so there are no size, age or physical restrictions.

Call or e-mail for more information or to rent Pitchburst® for your event.
