a ton of fun.

School age kids love playing in the playground too. The zip-line and moving tunnels are great for kids with a little sense of adventure! The more the merrier in the playground, so tell a friend.

Older kids are great at helping out their younger siblings in the playground and have fun themselves. Imaginations run just as wild as the kids!

Adults and parents are more than welcome to climb through the playground with their kids. We love when you get involved it makes a great experience for everyone.

**Please note that everyone playing in the playground is required to wear socks.
Please no shoes in the playground or on the mats.**
